Re: Application for membership – "KRALJICA MORA", Rijeka

Dear Sirs,

On 27 December 2023, the association of shipmasters "Kraljica mora", Rijeka, Croatia, submitted the Application for (associated) CESMA Membership.

We have used the application form that is available on the official CESMA website.

The title of the application may be somewhat misleading as it contains the text in the brackets saying that this is an application for the (associated) CESMA membership.

The association of shipmasters "Kraljica Mora", Rijeka, Croatia would like to clarify that it applies for **full membership** and kindly asks CESMA to take the association's application dated 27 December 2023 as application for full membership.

Please let us know if the application for full membership requires any other forms or additional documents to be submitted.

We would very much appreciate that our full membership would be voted at the next CESMA Council Meeting.

Kind Regards.

Juraj Karninčić, president of association
Udruga pomorskih kapetana Sjevernog Jadrana "Kraljica mora", Rijeka
